I love Psychonauts and am greatly looking forward to Psychonauts 2. I like the concept they've created of a VR point-and-click and using Clairvoyance instead of teleporting! Generally I think this is a cute, short game that has great voice acting and all your favourite characters, but a couple of issues prevent me from recommending it.

My main issue is that the game causes me vertigo in (at least) the menu sequence, opening credits, underwater sequence, and in the plane if you clairvoyance into the squirrel (I think? I can't remember what it is now - the animal up there). I've not actually completed the game yet, mainly because of that. I've been playing other games that don't make me feel ill.

Also, it's a little bit of an unpolished experience - I had to restart it a couple of times for reasons I've now forgotten and getting my seat exactly where the game was expecting me to be was a little tedious. The controls can be a little clunky and imperfectly explained during the tutorial.

I'd say get it if you're a fan of Psychonauts and point-and-click adventures, but if you're prone to feeling ill when you don't have a virtual ground beneath your virtual feet, vertigo or afraid of heights, probably leave it alone.. The game at 1st I thought was bad. But i kept coming back to play here and there, My highest character was like a lvl 13 with my side beast evolved into a freaking werewolf, that hit 30-40's I was swinging 60+, i sadly just got mobbed. It was a pain keeping the beast alive basicly flee stay never fight to keep him alive. great game I got it on steam wondering how i can get it on my iphone???? any help there?. its a fun game that suffers from a low player base. \u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b50\u2b

Open game then close game = all achievements. If you clock this game as China, or even sink a US Carrier, some sore losers will try to kill you.

Tom Clancy did to Harpoon, and died the day the US Government got shut down, October 1st 2013.. Beekeeper girl's replacement is cute. And Tegiri is even more anime than anyone could ever anticipate. Overall fun stories though!. Capcom give us DMC 2!!

wow the hint bottom is sooooo beautiful, I like the idea about the recharge is soo pretty. In the secret order3 sara has travel back to destory the mask. But the boat that use to travel to difference time was broken I am expecting to see how she fixed the boat and go back home in order 4. Buy only when on special, then play it till you run out of your starting 2k credits after which stop there follow through by giving the game a slap saying \u201csit, stay NO!\u201d. You will have had enough of it by as the building upgrades times take a turn for a self pondered thought of \u201cwhat did this game just smoke?\u201d as the building times go from 1 day to 5 days going from level 1 to 2 as you notice out of the corner of your eye the buildings have 20+ levels to them is time to grab a fresh pair before sitting back down again. Then vehicles start to require real money to use them each match or 50 times more to permanently unlock starting at the second medium vehicle of 10 gold or 500 gold respectively after you reach the required level.

Multiplayer is pretty much dead so having to buy single player skirmish tokens is a guaranteed given. Tank ammo is next on the list to ease you into feeding the game real money too as does the base upgrades. So after you play for about 30min to an hour expect to be starting to pump in real money. After 8 hours of play probably around \$50 to \$100 a day in order to not wait 10 hours to weeks for each vehicle upgrade unlock (plus 5%, 10% or 15% to speed\/ armour etc, not to mention what looks like 100 levels of upgrades for each of the 10 or so ammo in each of the I think it was 5 ammo classes so yer there\u2019s that.). Average hidden-object game.

Not bad, not good.

Story is so-so.

 $\label{logi} Long enough but a tad boring.. Nice scrolling shooter, perfect for anyone looking for a challenge\/. \u00edu638\u0001\u00edu621\u90edu9898\uff0c\u4f46\u9891\u7e41\u5954\u6e83\u8df3\u51fa\u8ba9\u4eba\u5f88\u607c\u706b\u554a\uff0c\u6bcf\u6b21\u8df3\u51fa\u54b\u55b\u8fd8\u6709BUG ,\u533b\u751f\u7684\u52a0\u8840\u9e21\u86cb\u58f3\u6ca1\u4e86\uff0c\u7528\u6389\u7684\u624b\u69b4\u5f39\u6570\u91cf\u56de\u590d$
